STUDENT ADMINISTRATIVE AFFAIRS

Introduction

Having effective, supportive, and smooth transitions and administrative processes when joining or leaving a school (admissions), when arriving at and departing from school (attendance), and when moving between grades or cycles (promotion) can have a significant impact on student academic, physical, social, and emotional wellbeing. This policy sets out the minimum requirement that schools must put in place with regard to student administrative affairs.

Purpose

- Ensure that schools make fair and transparent decisions related to admissions and grade placement.
- Ensure that students can transfer between schools with minimal course/grade repetition.
- Set out ADEK's expectations in relation to student attendance.
- Ensure that schools deal firmly and effectively with concerns related to student absence and punctuality.
- Outline exceptional circumstances under which students may not be promoted or accelerated beyond their age-appropriate grade.
- Ensure appropriate transition support is provided to students at key stages.

Definitions

Absence	The state of not being physically present in class/at school.
Absence rate	The proportion of absences to school days as per the approved school calendar. If the student was admitted mid-year, the absence rate is calculated from their joining date.
Additional Learning Needs	Individual requirements for additional support, modifications, or accommodations within a school setting on a permanent or temporary basis in response to a specific context. This applies to any support required by students of determination and those who have special educational needs and/or additional barriers to learning, access, or interaction in that specific context (e.g., dyslexic, hearing or visually impaired, twice exceptional, or gifted and/or talented). For example, a student with restricted mobility may require lesson accommodations to participate in Physical Education and building accommodations to access facilities but may not require any accommodations in assessments. Equally, a student with hearing impairment may require adaptive and assistive technology to access content in class and may also require physical accommodations (e.g., sit in the front of the class to be able to lip read) to access learning.
Admission	The process by which students are accepted to a school, up to and including enrollment and registration.
Academic Year	The period of the year during which students attend school, as defined by ADEK.
Attendance	The state of being physically present in class or at school. The attendance rate is recorded as the proportion of whole school days attended relative to the total number of school days as per the approved school calendar.
Clinical Assessment Report	A report arising from assessment of a student, conducted by a clinical psychologist, education psychologist, speech and language pathologist, doctor, or other suitably qualified professional.
Cycle	A stage in the primary and secondary educational process and is classified in Abu Dhabi as the following: Kindergarten (Pre-KG/FS1-KG2/Y1), Cycle 1 (G1/Y2-G5/Y6), Cycle 2 (G6/Y7- G8/Y9), and Cycle 3 (G9/Y10-G12/Y13). Private schools teaching UAE Ministry of Education (MoE) curriculum may follow MoE cycles: KG, Cycle 1 (G1-G4), Cycle 2 (G5-G8), and Cycle 3 (G9-G12).

Documented Learning Plan (DLP)	A plan which outlines any personalized learning targets, modifications to curriculum, additional support, or tools for learning which are agreed by school staff, parents, and students (where appropriate), including Individual Educational Plans (IEP), Individual Support Plans (ISP), Individual Learning Plans (ILP), Behavior Support Plans (BSP), Advanced Learning Plans (ALP), etc. This may be to address any specific identified academic, behavioral, language, or social and emotional need.

Examination Leave	A period of absence authorized by the school for students to attend external examinations.
Enrollment	The process by which a child is included on a school's official list of students.
Lateness	Arrival later than the specified time for class.
Grade Placement	The process of placing a student in a grade/year, normally in accordance with their age group.
